**** Tour of the DIA / FEDEX Express Facility ****

JOINT MEETING BY INVITATION FROM THE PROFESSIONAL ENGINEERS OF COLORADO PEC ORGANIZER IS: Mr. Mike Wolf

The FEDEX Express airport facility is at

26900 E 75th Ave

Denver, CO 80249

From Pena Blvd, exit at the signs for rental cars and air cargo, right before the old parking entry gates.

Follow that road (75th Ave) about a mile, and we are on the right.

Parking is limited, so carpooling is a must.

The facility is a working warehouse, so ask everyone to be careful, and it will be difficult for anyone who is mobility impaired.

Stairs are the only way into the planes, and there are some narrow aisles in the warehouse, so I don't think anyone in a wheelchair will manage very well.

I'd like to start about 6:45-7:00 PM. We will begin with a short presentation on what we are doing at the facility and how the system works at FEDEX, because everyone always wants to know, then we will take a look inside an airplane, then watch the package sort. The sort goes for an hour or so, but we don't have to stay that long if you don't want to, it doesn't change much during the evening.

I suggest that the member of the Colorado section meeting at the RTD Park and Ride at 40th and Pena at 6:15 PM so we can car pool to the facility.

PLEASE JOIN use for a stimulating program and let us know ahead of time if you plan on attending.

Directions: I – 70 Exit on Airport Blvd
Go left North to 40th Ave exit

Turn Right - Turn at next right to the RTD Park and Ride

Parking is Free and is usually available
