

## Colorado Section

**Thursday, 05 April 2012**

### **PROGRAM: Lockheed Martin Digital Radiography Lab**

**SPEAKERS** : Mr. John Ellegood and Mr. Charles Bollinger. John is the Level 3 for Digital Radiography at Lockheed Martin Space Systems and Charles Bollinger is the Digital X-Ray Conversion Team Sales Manager for GE Inspection Technologies.

Charles will demo the new GE Flex CR system and John will be showing the North Star DR/CT system. Technical discussions will include technique development, system process control and systems capabilities.

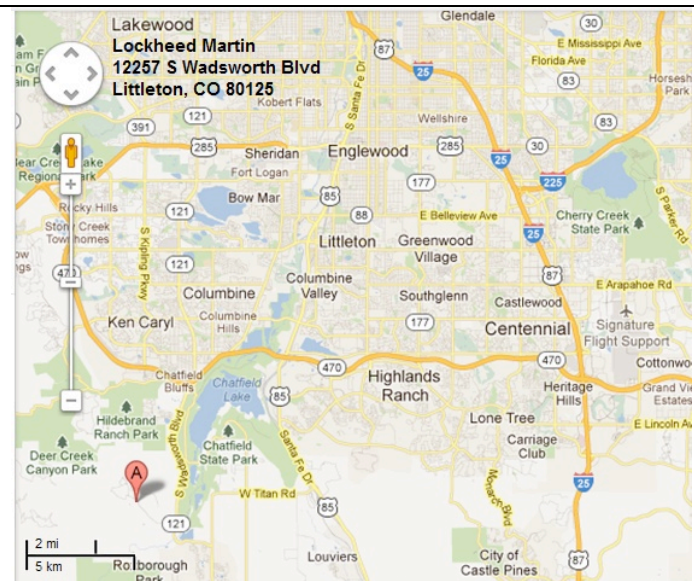

Since this is going to be held at the LM X-ray Lab, there will be no dinner panned and attendance must be held to 10 persons maximum. All attendees must be US citizens.

**Please email or call John to register for this meeting, all visitors must be registered by Friday, March 30, 2012 to be able to attend.**
