## Meeting Notice

**Date:** Thursday, March 5, 2015

**Time:** Social: 6:00 PM  
Dinner: 6:30 PM  
Speaker: 7:00 PM

**Topic:** Changes to the NAS 410 NDT Personnel Certification Standard, Rev. 4

**Speaker:** John Ellegood, RT Level III, Lockheed Martin Space Systems

**Abstract:** John Ellegood is the outgoing Chairman of the Aerospace Industry Association's NDT committee that is responsible for NAS 410, the aerospace standard for "Certification & Qualification of Nondestructive Test Personnel". John has been very active in several industry organizations during his career, including AIA, ASTM E07 committee and the ASNT Penetrating Radiation Committee. John will review the changes in the latest release of NAS 410 (Rev 4) and discuss why some of the changes are necessary, including how to write a proper open book specific exam question. If you have any questions on the new requirements, this is a great opportunity to get the answers from one of the team members responsible for those changes.
